## Spring Hills Presbyterian Church How to Worship Online

## Streaming the Worship Service

- 1. Go to <a href="www.springhillspca.org/worshiponline">www.springhillspca.org/worshiponline</a> to find everything you need to follow along with the worship service at home. This includes links to the service livestream, PDF service bulletin, printable children's bulletins, and the entire order of worship typed out (responsive readings, song lyrics, etc.) so you can follow along with your smartphone or tablet.
- 2. There are a few ways to watch the service:
  - a. Simplest option: You can watch the service on your computer, smartphone, or tablet at the following link:

    connected to your TV, you can download the BoxCast app to watch
    the service via livestream directly on your TV. Inside the app, search
    for Spring Hills Presbyterian Church. Some apps show the upcoming
    live service, while others you will have to wait until we start
    broadcasting at 10:29am on Sunday for it to pop up.

## Some Practical Tips

- 1. Prepare beforehand and test things out. Experiment with one of our previously recorded services so you aren't scrambling on Sunday morning.
- 2. If you aren't able to livestream the service at 10:30am on Sunday, you can always watch it later and worship just like you would if it were live.
- 3. Remember that this is not ideal and this is not forever. We should miss being together with all our brothers and sisters in Christ and this should stir up a longing within us for when we will be able to gather again and, in an ultimate sense, for the great gathering of all God's people in eternity.
- 4. With all that said, let's make the most of it. Engage in worship as best you can. Sing the songs. Read the responsive readings. Pray during the prayer time. Take notes during the sermon. Discuss the service afterward with your family and friends, either in person or online. These are not rules or obligations, but an encouragement to worship God in community as best we can during this time.
- 5. If you have any technology questions, please email Pastor Michael Anderson at <a href="mailto:mai
- 6. Remember that God is sovereign and good. He is faithful and His love endures forever. He works all things together for the good of His people and the glory of His name.
